

26th May, 1952.

Dear Adeane

The co-heirs to the Office of Lord Great Chamberlain have agreed to nominate the Marquess of Cholmondeley as their Deputy and for that purpose have completed a Deed of Nomination. In accordance with the usual practice Lord Cholmondeley has sent his Petition with the supporting Deed of Nomination to the Crown Office where they have been scrutinised by Napier.

... I now enclose a submission from the Prime Minister submitting the Deed of Deputation and Petition to The Queen.

Major Sir Michael Adeane, K.C.V.O., C.B.
